

Work Reference

At Oetker Digital we support the Oetker-Group (e.g. Dr. August Oetker Nahrungsmittel KG, Radeberger Gruppe KG, Flaschenpost SE) with digital ideas for established brands, innovations and business models. The future for the consumer-packaged goods is digital, our goal is to help all companies of the Oetker-Group succeed in this digital future.

Marc Bonas was employed with Oetker Digital GmbH as Senior Product Designer from 15.01.2020 until 31.01.2026 in Berlin, Germany.

He was responsible for the following main tasks:

- Design and development of websites using Webflow.
- Comprehensive Project Ownership: Managed full lifecycle as the sole designer from kick off workshops with stakeholders, user research, to build entire products (app/website architecture, component library, design system).
- Technical Versatility: Integrated user research, interface design, brand development, motion design, and multimedia production for cohesive experiences.
- Measurable Business Impact: Engineered marketing campaigns that significantly boost user acquisition and yield reusable assets.
- Leadership & Mentorship: Elevated team performance by teaching and mentoring junior designers.
- Stakeholder Management: Collaborated seamlessly with cross-functional teams from developers to marketing stakeholders to deliver design solutions that are both technically sound and aligned with business goals.

We would like to highlight Marc's creativity and innovativeness. His exceptional creativity helped him to find new and helpful solutions matching the problem at hand.

Marc possessed superior knowledge which he was always able to apply to our business processes in a most effective and beneficial manner. He continuously expanded and improved his superior knowledge to the benefit of our company by attending events to further his education.

He always worked in a highly proactive manner and completely identified with his tasks and our company at all times. Marc constantly displayed an impressive level of dedication and motivation.

Due to his excellent analytical ability, he was always able to understand complex situations immediately and found very good solutions right away. Marc steadily displayed exemplary resilience even in extremely stressful situations.

He always completed his tasks completely autonomously and with due diligence. In addition, he constantly worked extremely precisely, thoughtfully and with a specific goal in mind. Marc continuously impressed us particularly in terms of quality and quantity. He showed an extremely high level of reliability.

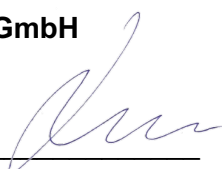

The performance of Marc constantly and in every respect earned our full recognition. He was always able to find excellent and innovative solutions for all problems.

He was respected by everyone for his consistently friendly and well-balanced demeanour. Marc was always helpful, courteous, and when necessary, he put the interests of others before his own. His personal conduct with superiors, colleagues and clients was steadily exemplary and loyal.

The employment relationship ended on 31.01.2026 due to the discontinuation of Oetker Digital's business operations. We sincerely thank Marc for his outstanding contributions and dedication and wish him all the best and continued success in his future professional and personal endeavors.

Berlin, 31.01.2026

Oetker Digital GmbH

Maik Ludewig
